GEGEN DISKRIMINIERUNG

## What is **reach out**?

**reach out** is a specialized counseling center for victims, relatives, and witnesses of racist and right-wing violence in Berlin.

We also have expertise in counseling regarding racist police violence and racial profiling.

**reach out** offers workshops on anti-racism and empowerment.

**reach out** researches and documents racist and right-wing attacks in Berlin.

We work closely with local networks, activists, and alliances.

## Our counseling work

Have you experienced racist or right-wing violence and/or severe threats in Berlin? e.g., by individuals, right-wing groups, police, school, or in the workplace?

**We provide advice and support.**

## Who do we counsel?

- directly affected persons
- relatives and friends
- witnesses

## **How do we counsel?**

- on your side
- free of charge
- confidential
- anonymous upon request
- in different languages

## **What is part of our counseling?**

- emotional support
- legal options, e.g., filing a report, joining as a co-plaintiff, criminal defense, contact with lawyers
- accompaniment to police, authorities, or court appointments
- financial support, e.g., legal cost assistance, compensation payments, applications to legal aid funds
- referral to other counseling centers e.g., residence law issues, psychological counseling
- contact with the press upon request

## **Where do we counsel?**

- in person at **reach out** or on site
- by phone
- online
